HIGH POINTS:

Protected Service Counter

A volunteer has been helping to build a protected service counter in the hopes that we will soon be able to open our lobby to guests. The project is almost done. There is a bit of varnishing to finish and some trim to add.

In addition, staff are working on safety protocols for both the office and our guests.

Changes in policy and procedures will be posted on our Facebook page and website.

Practice social distancing & stay safe.

Till next month, *Wanda*
